DURABLE CONSTRUCTION

Built to Stand The Test of Time

Solid Wood Face Frames

A top choice for when it comes to cabinetry. Known for its durability, strength, and resistance to scratches and dents.

Dovetail Construction

The strongest of all joints. This interlocking design looks attractive and has a large glue area for increased strength.

High Quality Plywood

Our cabinet boxes are made with 5/8" thick high quality plywood for superior strength and durability.

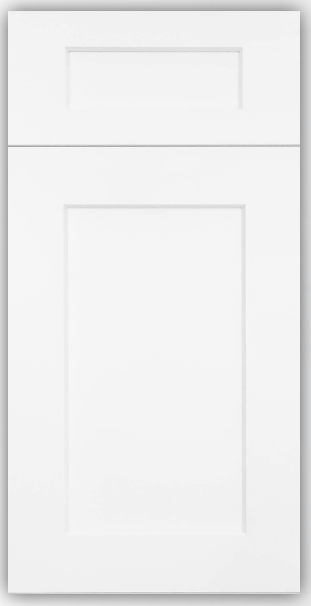

5-Year Warranty*

Cabinetry, door hinges, and drawer glides will be free from defects in material and workmanship for 5 years*.

* Conditions apply. Ask your dealer for more information.
